JOHN PAUL GRIMKE,

Begs leave to inform the public in general, and his friends in particular, that, as he intends to retire from business, on account of his declining state of health, which will not admit his giving proper attendance; so

HE proposes to sell off his STOCK OF GOODS on hand, consisting of a great variety of sterling plate, jewels, watches, swords, gold headed canes, &c. &c. &c.

A purchaser of the WHOLE, may have the stock at FIRST COST, upon bond (with approved security) payable in 5, 6 or 7 years. Most of the goods have been lately imported in the ships of Capt. Capt. *Barnes*, and others; and all are finished in the most elegant and masterly manner.

In the mean time, if any persons want compleat SETS OF PLATE for beaufets or tea-tables (or otherwise, for sale) to the amount of *One Hundred Pounds* sterling value, they may have the same at EIGHT for ONE.

He also proposes (in case he sells his stock as above) to let the house he now lives in, upon lease, for a term of years.

And, as he intends to embark for England next spring, he desires all persons indebted to him, to come and pay, or settle by giving bond, with security; and those who have any demands against him, to bring in their accompts and receive payment.

ROBERT ROWAND,

At his house in Church-street, next door to Mr. William Bampfield, *has on hand a few GOODS, which will be sold* very cheap: *Among which are,*

Said Rowand informs all those, indebted to the co-partnership of ROBERT ROWAND, & Comp. which expired in December 1760, that unless they immediately pay, they will be sued. Those indebted to MAXWELL & ROWAND, are requested to settle their accompts, which will save both parties trouble: And he hopes those indebted to ROWAND & JACKSON, will settle as soon as possible; he having declined business with no other view, than finally to close all his concerns by the spring, when he intends to go off the province.
